EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with Douglas Holtz on 5/27/2008.
3. The application has been amended as follows:
 - a. Claims 13-15, 25, 26 and 28 have been cancelled.
 - b. The word "front" has been added directly before the words "wall section" in lines 9 and 20 of claim 16.
 - c. The word "front" has been added directly before the word "wall" in line 2 of claim 19.
 - d. The word "front" has been added directly before the words "wall section" in lines 17 and 25 of claim 27.
4. The following is an examiner's statement of reasons for allowance: the prior art of record (considered as a whole) neither anticipates nor renders obvious a suction inlet unit or a vacuum cleaner having a suction inlet unit comprising a main body, a rotary cleaning body provided therein, a front suction inlet and an adjusting mechanism for adjusting a first part of a front wall section that forms the front suction inlet to control the

amount of forward protrusion of the rotary cleaning members through the front suction inlet, *wherein the adjusting mechanism does not adjust at least a second part of the front wall section, the second part comprising a non-rotatable front end surface of a bumper* in combination with the rest of the claimed limitations set forth in the independent claims. The Examiner suggested including the term "front" when referring to the first and second parts of the *front* wall to define over similar apparatuses that may have a non-rotatable second part of a wall that is not actually a part of the front wall.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to BRYAN R. MULLER whose telephone number is (571)272-4489. The examiner can normally be reached on Monday thru Thursday and second Fridays.
